FROM THE INTRODUCTION -

"Five Practices of Fruitful Living moves the discussion of Christian practice from the congregational level to the personal practices of discipleship. The fruitful, God-related life develops with intentional and repeated attention to five essential practices that are critical for our growth in Christ. Radical Hospitality. Passionate Worship. Intentional Faith Development. Risk-Taking Mission and Service. Extravagant Generosity. These practices open our heart—to God, to others, to a life that matters, a life rich with meaning, relationship, and contribution. They help us flourish."
