From Members to Disciples: Leadership Lessons from the Book of Acts Michael W. Foss

The book of Acts serves as our playbook for ministry as it prepares us for the active presence of God.

Studying the book of Acts takes us back to the future. It shows the church how to trust in the active presence of God and inspire people to move from being mere members to bold disciples. As members become disciples of faith, they experience the unstoppable power of disciplined growth and divine purpose in Christian living.

"There is widespread consensus that spirituality should be defined in relation to 'lived experience.' If you want the 'lived experience' of one of the most creative churches and innovative pastors in the church today, this is the book to read to assess the cutting edges of Christian spirituality." --Leonard Sweet
