Living in the Spirit: Drawing Us to God, Sending Us to the World George O. Wood

Living in the Spirit offers a comprehensive compilation of perspectives concerning the person and ministry of the Holy Spirit. George Wood's ability to express orthodox Pentecostal theology in creative and refreshing ways is unique. He lucidly expresses his desire that Pentecostals resist being content with memories of powerful past encounters with the Spirit and instead seek to be overwhelmed by the Spirit and demonstrate the enduring evidence of His fullness.
