Operational Business Intelligence: Definition, Nutzen und Softwarelösungen (German Edition)

Christian Schmitz

Diplomarbeit aus dem Jahr 2009 im Fachbereich Informatik - Wirtschaftsinformatik, Note: 2,0, Universität Duisburg-Essen (Wirtschaftsinformatik), Veranstaltung: Mercator School Of Management, Sprache: Deutsch, Abstract: Diese Diplomarbeit definiert anhand umfassender, strukturierter Literaturanalyse den Begriff Operational Business Intelligence (OpBI), zeigt Zusammenhänge und Nutzenpotenziale durch die Umsetzung innerhalb einer Serviceorientierten Architektur (SOA) auf und beleuchtet aktuell von der Industrie als OpBI und SOA vermarktete Systemlösungen.

Die Definition der OpBI wird zum einen ausgehend von Business Intelligence (BI) und Geschäftsprozessen, und zum anderen durch Bewertung der in der Fachliteratur verfügbaren Definitionsmerkmale erreicht.

Dadurch ergibt sich eine stichhaltige und "greifbare" Formulierung.

Die Nutzenpotenziale zeigen einen theoretisch fundierten Blick in die Praxis bevor schließlich die Lösungen drei großer Softwareanbieter dargestellt werden.

Der Ausblick auf die zukünftige Entwicklung im Bereich der OpBI zum Ende der Arbeit bietet Ansatzpunkte für weitere Potenziale in verschiedenen Unternehmensbereichen.

From reader reviews:

James Bardsley:

Book is usually written, printed, or outlined for everything. You can learn everything you want by a publication. Book has a different type. As it is known to us that book is important issue to bring us around the world. Beside that you can your reading talent was fluently. A book Operational Business Intelligence: Definition, Nutzen und Softwarelösungen (German Edition) will make you to always be smarter. You can feel much more confidence if you can know about almost everything. But some of you think that open or reading a book make you bored. It is far from make you fun. Why they are often thought like that? Have you looking for best book or appropriate book with you?

Wayne Ross:

Reading a e-book tends to be new life style on this era globalization. With examining you can get a lot of information that may give you benefit in your life. Using book everyone in this world could share their idea. Ebooks can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or perhaps their experience. Not only the storyline that share in the ebooks. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on earth always try to improve their talent in writing, they also doing some investigation before they write to the book. One of them is this Operational Business Intelligence: Definition, Nutzen und Softwarelösungen (German Edition).

Sean Bass:

Are you kind of busy person, only have 10 as well as 15 minute in your moment to upgrading your mind talent or thinking skill also analytical thinking? Then you are having problem with the book as compared to can satisfy your short time to read it because pretty much everything time you only find book that need more time to be study. Operational Business Intelligence: Definition, Nutzen und Softwarelösungen (German Edition) can be your answer since it can be read by anyone who have those short spare time problems.

Teresa Obannon:

Is it anyone who having spare time after that spend it whole day by means of watching television programs or just resting on the bed? Do you need something totally new? This Operational Business Intelligence: Definition, Nutzen und Softwarelösungen (German Edition) can be the respond to, oh how comes? The new book you know. You are and so out of date, spending your spare time by reading in this brand-new era is common not a nerd activity. So what these publications have than the others?
