Sequel to Ghost Dancer

Claire McKinney has a theory that poltergeists aren't evil spirits or negative energy. When she locates a powerful vortex at the center of a haunting, she discovers a gorgeous man trapped inside. Zental cannot escape on his own, but if Claire can create enough sexual energy with him, he will be able to break free. Intense as their passion is, it does not release him from the vortex. Claire finds herself caught not only by the ominous portal, but by Zental's carnal zeal as well. Can she extricate them both from the trap or will they forever be its prisoners?
