## **The Family** Kay Brellend

The follow-up novel to the hugely successful debut  
THE STREET

In this dank corner of town, you have to keep your friends close and your enemies closer – even if those enemies are your family.

Jimmy Wild saunters around the streets of Campbell Road, and among the people he used to terrorise. Even though the years have passed, he's still a tyrant. The sight of his lanky frame is enough to terrify the inhabitants of this close-knit community, who reside in this villainous corner of London.

Jimmy's beautiful step-daughter Faye and his downtrodden wife Edie eek out a meagre existence for their family, having left behind their lives in Kent. What devastating act was so bad that it drove them away from the place they called home to this hovel of a house in Campbell Road?

Robert and Steven Wild thought they'd moved on. It was hard enough coming to terms with the death of their mother – and now their abusive father, presumed dead, has returned. One thing you can bet on, Jimmy Wild's not returned to start playing happy families...

How can young Faye make a life for herself and carve a future for young siblings? Who is this aged woman that Jimmy Wild has come back to see? And can a romance between Faye and Rob blossom amidst a family at War?

### **From reader reviews:**

#### **Mary Johnson:**

What do you think of book? It is just for students because they are still students or that for all people in the world, what the best subject for that? Merely you can be answered for that question above. Every person has several personality and hobby for every other. Don't to be forced someone or something that they don't wish do that. You must know how great and also important the book The Family. All type of book would you see on many methods. You can look for the internet options or other social media.

#### **Katherine Belcher:**

What do you about book? It is not important along with you? Or just adding material when you really need something to explain what your own problem? How about your free time? Or are you busy individual? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Everyone has many questions above. The doctor has to answer that question mainly because just their can do that will. It said that about guide. Book is familiar on every person. Yes, it is right. Because start from on guardería until university need that The Family to read.

#### **Neil Myers:**

Nowadays reading books become more than want or need but also get a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge even the information inside the book which improve your knowledge and information. The data you get based on what kind of guide you read, if you want send more knowledge just go with schooling books but if you want experience happy read one with theme for entertaining for instance comic or novel. The particular The Family is kind of reserve which is giving the reader erratic experience.

#### **Andrea Behnke:**

Are you kind of busy person, only have 10 as well as 15 minute in your day to upgrading your mind expertise or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book when compared with can satisfy your short space of time to read it because all this time you only find e-book that need more time to be read. The Family can be your answer because it can be read by an individual who have those short spare time problems.
