**Maurice Conner:**

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some publication, they are complained. Just very little students that has reading's spirit or real their hobby. They just do what the professor want, like asked to the library. They go to presently there but

nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Trees and shrubs: Field marks of all trees, shrubs, and woody vines that grow wild in the northern and north-central United States and in southeastern ... Canada (Roger Tory Peterson field guides) can make you really feel more interested to read.
