Your Education Leadership Handbook Jim McGrath, Anthony Coles

Your Education Management & Leadership Handbook should be essential reading for anyone managing or aspiring to lead in education, whether in the primary, secondary or post-compulsory sector.

Written in the form of a fictional case study, the book charts the progress of a teacher and their academic tutor, introducing key concepts, theories and debates in educational leadership, whilst applying them to real work-based situations. Whether you are a student, middle manager or leader in education, this handbook will provide you with the skills and knowledge necessary to discuss a wide range of leadership theories; analyse and understand events in their workplace; identify and develop your own leadership style; and understand how to apply theory to your own practice
