Draw Me In Regina Cole

In Regina Cole's steamy novel of hot ink and delicious angst, two tortured artists take a leap of faith—but the past threatens to tear them apart.

After her parents pull the plug on her college fund to finance their nasty divorce, Hailey Jakes is desperate to pay her own way and finish her degree in graphic design. She can hardly believe her luck when the sexiest guy she's ever seen hires her to be the receptionist at his tattoo shop. With sea-blue eyes, jet-black hair, and full sleeves of tattoos on his muscular arms, Neill Vanderhaven looks like the kind of guy who wouldn't give her the time of day. In fact, he's mesmerized by her—and it doesn't hurt that she's talented as hell.

But Hailey and Neill have more in common than instant chemistry: They're both carrying serious baggage. Hailey's parents split after years of blowout fights and sloppy affairs. Neill just got out of something serious with a woman who loved her bad habits more than she loved him. When they take the plunge on a new relationship, they're both breaking their own rules.

But then a terrible misunderstanding brings Neill's worst fears to life, and their connection threatens to come crashing down. What they have is more than skin-deep, but now Hailey and Neill need to decide whether the kind of love that lasts forever is worth such exquisite pain.

Stephen Lee:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Draw Me In can make you truly feel more interested to read.
