**La maledizione della sensibilità (Italian Edition)** Gabriele Cecchini

"La maledizione della sensibilità" è una raccolta di 50 poesie maturate nell'arco di un anno. Esse sono il frutto della visione di un sensibile, un osservatore attento, un uomo che tenta di uscire dal conformismo e dalla meccanizzazione della società moderna e di trascrivere pensieri ed immagini evocate dalla più attenta considerazione della realtà circostante. Le poesie toccano temi molto diversi tra loro quanto profondi: si parla così di vita, di morte, di emozioni provate alla vista di un paesaggio incontaminato, un'opera d'arte, si parla di percezioni alterate della realtà, di interrogativi sull'esistenza oltre che di passato e presente visti nella loro pienezza. "La maledizione della sensibilità" si rivolge ad un vasto pubblico di lettori e artisti, quale strumento di riflessione e più profonda indagine interiore.

In copertina: "Cromatismi di un sogno", Leonardo Musumeci
