## Leapfrog Guillermo Rosales

The “prequel” to Rosales’s “tragically beautiful and unforgettable” (*Los Angeles Times*) Cuban-American novel *The Halfway House*

*Leapfrog* depicts one summer in the life of a very poor young boy in post-revolutionary Havana in the late '50s. He has superhero fantasies, hangs around with the neighborhood kids, smokes cigarettes, tells very lame jokes: “By the way, do you know who died? No. Someone who was alive. Laughter.” The kids fight, discuss the mysteries of religion and sex, and play games — such as leapfrog. So vivid and so very credible, *Leapfrog* reads as if Rosales had simply transcribed everything that he’d heard or said for this one moving and touching book about a lost childhood.

*Leapfrog* was a finalist for Cuba’s prestigious Casa de las Americas award in 1968. Years later, Rosales’s sister told *The Miami Herald* that Rosales felt he hadn’t won the prize because his book lacked sufficient leftist fervor, and that subtle critiques of cruel children and hypocritical adults throughout the playful recollections had clearly “rankled” state officials. In the end the novel never appeared in Cuba. It was first published in Spain in 1994, a year after Rosales’s death.

### From reader reviews:

#### David Shetler:

Book is actually written, printed, or descriptive for everything. You can understand everything you want by a publication. Book has a different type. As you may know that book is important factor to bring us around the world. Alongside that you can your reading expertise was fluently. A e-book Leapfrog will make you to end up being smarter. You can feel considerably more confidence if you can know about almost everything. But some of you think this open or reading a book make you bored. It is not make you fun. Why they might be thought like that? Have you seeking best book or suitable book with you?

#### Sondra Spencer:

What do you think of book? It is just for students because they are still students or the idea for all people in the world, what the best subject for that? Just you can be answered for that concern above. Every person has different personality and hobby per other. Don't to be forced someone or something that they don't want do that. You must know how great as well as important the book Leapfrog. All type of book could you see on many solutions. You can look for the internet sources or other social media.

#### Richard King:

Book is to be different for every single grade. Book for children right up until adult are different content. As you may know that book is very important normally. The book Leapfrog had been making you to know about other expertise and of course you can take more information. It doesn't matter what advantages for you. The e-book Leapfrog is not only giving you far more new information but also for being your friend when you sense bored. You can spend your spend time to read your guide. Try to make relationship together with the book Leapfrog. You never sense lose out for everything in the event you read some books.

#### Charles Sizemore:

Reading a reserve tends to be new life style in this era globalization. With examining you can get a lot of information that will give you benefit in your life. Together with book everyone in this world can share their idea. Textbooks can also inspire a lot of people. A great deal of author can inspire their very own reader with their story or perhaps their experience. Not only the storyplot that share in the ebooks. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors on this planet always try to improve their ability in writing, they also doing some study before they write to their book. One of them is this Leapfrog.
