**Liberal States and the Freedom of Movement: Selective Borders, Unequal Mobility (Transformations of the State)** Steffen Mau, Heike Brabandt, Lena Laube, Christof Roos

State borders regulate cross-border mobility and determine peoples' chances to travel, work, and study across the globe. This book looks at how global mobility is defined by borders in 2011 in comparison to the 1970s. The authors trace the transformation of OECD-state borders in recent decades and show how borders have become ever more selective.
