**Los sentimientos en la sexualidad de los adolescentes (Educar) (Spanish Edition)** Carlos José Romero Mensaque

Esta obra quiere aportar de manera novedosa y científica una aproximación al tema del enamoramiento desde la propia experiencia vital de los adolescentes. Estimamos que este trabajo puede abrir puertas a los adolescentes para un mejor conocimiento de su propio proceso de maduración personal y una ayuda para padres y educadores en la noble y nunca bien ponderada tarea de la educación de las nuevas generaciones.
