## **Nine Days In Heaven: The Vision of Marietta Davis** Dennis Prince

Marietta Davis fell into a trance at age twenty-five that lasted nine days. She experienced a vision that made her a legend. When she finally regained consciousness she described with extraordinary graphic detail scenes of how angels had conducted her spirit to heaven and hell. Marietta made it clear that her vision was given for her to tell the world so people could prepare for the afterlife. This book is an attempt to recapture the original story in a new modern English text. Supporting testimonials of the original publisher, family, and others appear close to their original form at the end of the book.
