És l'hora dels adéus? (Catalan Edition) Xavier Sala i Martín

"La demanda dels catalans sembla estranya en un món que no està acostumat a dibuixar fronteres amb la força dels vots. Però hi haurà un dia en què votar per decidir fronteres serà normal. I quan ho sigui, la gent mirarà enrere i pensarà que la situació del 2014 era anacrònica i indecent."

Amb un estil directe, clar i contundent, Sala i Martín ens fa una radiografia magistral de quina ha estat la situació econòmica i política dels darrers anys i de quin pot ser el futur de Catalunya. Totes les preguntes que ens fem sobre la possible independència queden més que contestades en aquestes pàgines. Un llibre imprescindible per a tots els que avui es pregunten si realment ha arribat l'hora dels adéus.
