*Good girls shouldn't date bad wolves...*

Fated Match has spent centuries pairing supernatural mates together. Witch and matchmaker, Chloe Donovan, takes pride in helping her clients find their happy endings. But when werewolf alpha and millionaire playboy Kieran Clearwater stalks into her office, she may have finally met the one man she can't help.

Kieran has no intention of finding his mate. Love is a weakness he can't afford. But with his pack growing more concerned over his single status he needs to assure them all is well. What better way to do so than to hire a fake girlfriend he can parade around at the annual pack retreat?

Chloe is coerced into becoming the wolf's temporary mate, but she's determined to keep their agreement professional. But her seductive partner in crime has other ideas, and his considerable charm makes it difficult for her to keep her eye on the prize. While these two burn hot when they're together, behind-the-scenes politics work to rip them apart.
