## **The Prince (Rediscovered Books): With linked Table of Contents** Niccolò Machiavelli

It was Niccolò Machiavelli who essentially removed ethics from government when he asserted that The Prince (president, dictator, prime minister, etc.) does not have to be concerned with ethics, as long as their motivation is to protect the state. It is this questionable belief that in many ways had led to the modern world as we know it. His assertion was that the head of state must protect the state no matter the cost and no matter what rules he or she breaks in the process. If you want to understand modern politics you must read this book.
