## **Doing your Research Project in Sport (Active Learning in Sport Series) Chris Lynch**

The research project is a major component of most higher education sport courses. While undertaking a research project can be an exciting and rewarding experience, it can all too easily lead to stress and disappointment. Mistakes made early in the process in the design of experiments, for example can lead to frustration later on. This accessible book guides students through the process, from the initial stages of research (identifying problems and designing questions) right through to the presentation of their findings.
