Iran: Ally or Enemy?: Persian Empire, Pariah State, Nuclear Partner Lightning Guides

Persian Empire, Pariah State, Nuclear Partner

After decades of political and cultural isolation, Iran faces a new chapter in its 2500-year-old history. Following the landmark 2015 nuclear deal, Iran will re-enter international trade markets and be reinstated in the eyes of the West.

Trace the evolution and impact of Iran's complex relationship with the United States in *Iran: Ally or Enemy?* Through a series of concise, powerful articles, *Iran: Ally or Enemy?* examines events from the shah's rule to the Islamic Revolution to the hostage crisis. Placing these tensions and milestones in context, *Iran* follows the country's emergence from its status as a geopolitical pariah to its new role: a partner for the West.
