## On Mothering Multiples: Complexities and Possibilities

There has been an increase of twin births and higher order multiple birth babies born in Canada and around the world in the past few decades. *On Mothering Multiples: Complexities and Possibilities* seeks to (re)explore, (re)present, and make meaning of the process of conception, pregnancy, childbirth, and mothering experiences with multiples. It features a collection of scholarly, creative non-fiction, and visual essays from a wide range of disciplines and cultural perspectives. Additionally, these scholarly and more artful accounts contribute to a body of literature that although present is also limited, and provide insight into some of the complexities and possibilities inherent in mothering multiples.
