**Charlie's Apprentice (The Charlie Muffin Series Book 10)** Brian Freemantle

**As the Soviet Union dissolves, a long-buried secret puts Charlie's life in danger—again**

Charlie Muffin shouldn't be condemned for mourning the end of the Cold War. For decades the KGB provided him with endless professional success and now that it's gone, Charlie is nearly out of a job. Removed from active duty, he is now training new recruits on operations in a post-Soviet era. It's dull work that leaves Charlie yearning for the adventures of old and this time, he'll get more than he bargained for.

One of Charlie's first pupils is arrested within days of arriving in Beijing to extract a blown British agent. Now Charlie must go to China and get both of them out. Meanwhile, someone is searching for Charlie—Natalia Fedova, a former lover, who surfaces with a new job high up in Russian intelligence and a daughter she says is his.

This ebook features an illustrated biography of Brian Freemantle including rare photos from the author's personal collection.
