RACCONTO (19 pagine) - FANTASCIENZA - Il confronto tra valori e civiltà diverse ai confini della galassia. Racconto premio Nebula 2012

Vincitore del Premio Nebula nel 2012 questo racconto lungo ha consacrato l'astro nascente di Aliette de Bodard, una delle autrici emergenti più interessanti della fantascienza mondiale. Su una stazione spaziale ai margini della civiltà si contrappongono due culture: quella della famiglia, della tradizione, dei valori profondi, e quella della ricchezza, dell'immagine, dell'apparenza che nasconde e rischia di soffocare la personalità stessa. Esiste una possibilità di incontro tra questi due mondi?

Aliette de Bodard, scrittrice francese di origini vietnamiti, è uno dei nomi di maggior rilievo nella fantascienza contemporanea emergente. Vincitrice nel 2007 del prestigioso premio "Writers Of The Future", finalista nel 2009 al premio John Campbell come miglior nuovo autore, è stata consacrata dalla vittoria al premio Nebula e al premio Locus col racconto lungo "Immersione". Il suo romanzo breve "Stazione rossa" è arrivato in finale al premio Nebula e al premio Hugo. Nata negli Stati Uniti e cresciuta tra gli USA, Londra e Parigi, è perfettamente bilingue; studi di matematica applicata e informatica, ingegnere di professione (la prestigiosa École Polytechnique), ma con precoci interessi letterari che l'hanno portata a frequentare i corsi di scrittura dell'Orson Scott Card's Literary Bootcamp. Come molti altri autori di ascendenza non anglosassone, introduce nelle sue storie temi tipici di tradizione letterarie cui siamo forse meno avvezzi; nel caso specifico la famiglia, l'onore, il contrasto tra modernità e tradizione, la lotta della donna contro il suo ruolo subordinato; temi ancor oggi attuali nella letteratura cinese e dell'Estremo Oriente in generale.

From reader reviews:

Melanie Tuck:

Information is provisions for individuals to get better life, information today can get by anyone from everywhere. The information can be a know-how or any news even a problem. What people must be consider when those information which is from the former life are difficult to be find than now is taking seriously which one is acceptable to believe or which one the resource are convinced. If you get the unstable resource then you understand it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take Immersione: 12 (Robotica) (Italian Edition) as your daily resource information.

Theresa Diaz:

Reading a e-book can be one of a lot of activity that everyone in the world adores. Do you like reading book therefore. There are a lot of reasons why people enjoyed. First reading a reserve will give you a lot of new details. When you read a publication you will get new information due to the fact book is one of numerous ways to share the information or perhaps their idea. Second, looking at a book will make you more imaginative. When you looking at a book especially hype book the author will bring you to definitely imagine the story how the personas do it anything. Third, you can share your knowledge to other folks. When you read this Immersione: 12 (Robotica) (Italian Edition), it is possible to tells your family, friends as well as soon about yours book. Your knowledge can inspire different ones, make them reading a book.

Teresa Brown:

Playing with family in a park, coming to see the marine world or hanging out with pals is thing that usually you will have done when you have spare time, after that why you don't try matter that really opposite from that. 1 activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition associated with. Even you love Immersione: 12 (Robotica) (Italian Edition), you are able to enjoy both. It is excellent combination right, you still want to miss it? What kind of hangout type is it? Oh come on its mind hangout guys. What? Still don't have it, oh come on its referred to as reading friends.

Mae Mosley:

A lot of guide has printed but it is different. You can get it by internet on social media. You can choose the most beneficial book for you, science, comedy, novel, or whatever through searching from it. It is called of book Immersione: 12 (Robotica) (Italian Edition). You can add your knowledge by it. Without causing the printed book, it could add your knowledge and make you happier to read. It is most critical that, you must aware about guide. It can bring you from one destination for a other place.
