**La Casa in pietra grigia (Italian Edition)** Jelena Banfichi Di Santo

La Casa in pietra grigia è l'antica dimora dalmato- isolana come asse portante di tanti avvenimenti nella vecchia Jugoslavia monarchica e titoista dal 1940 al 1968. Testimonianze del 'vissuto dal di dentro' di singole esistenze che si fanno veicolo delle realtà di intere generazioni.

La scrittura della memoria misurata, ariosa, carica di dettagli disegna preziosi arabeschi di paesaggi, città, luci, difficili rapporti umani nell'intricato coacervo di nazionalità e religioni.

La narrazione si pone a livello più profondo della accezione storica penetrando con accurata osservazione del substrato mentale di un milieu fuggevole alla condanna e all'assoluzione.

Terra d'Amore e Rifiuto.
