Poker (Spanish Edition)

Juan Zubiri

Poker (Spanish Edition) Juan Zubiri

El póker está de moda. Pasó de ser un juego estigmatizado y relegado —cuyos únicos aficionados eran tahúres o personajes de dudosa reputación—, a vivir un repentino auge. Cientos de miles de personas se han incorporado a sus huestes y esa tendencia sigue creciendo. Sin embargo, la carencia de libros de póker en español impide que jugadores talentosos y con la práctica suficiente estén en condiciones de convertirse en expertos. En este estudio del juego, basado en la variante más popular —el hold'em sin límite—, el lector entenderá que los resultados dependen de la habilidad y no de la suerte o el azar. Encontrará principios generales, probabilidades, chances, formas de engaño, la descripción minuciosa de los gestos corporales y varios ejercicios que pondrán a prueba sus conocimientos. El autor describe y analiza el decálogo del buen jugador para que, sin dejar de divertirse, los amantes del póker aprendan a ganar. El concepto que inspira este libro es profundizar en la idea de que “sin escuela” es muy difícil atravesar ciertos límites y evolucionar como jugador de póker. Principiantes con cierta experiencia, jugadores de nivel medio y hasta los más avezados encontrarán los principios fundamentales, datos técnicos relevantes y consejos para mejorar sus actuaciones y afianzar los propios estilos de juego.
