That Old Cape Magic Richard Russo

For Griffin, all paths, all memories, converge at Cape Cod. The Cape is where he took his childhood summer vacations, where he and his wife, Joy, honeymooned, where they decided he'd leave his LA screenwriting job to become a college professor, and where they celebrated the marriage of their daughter Laura's best friend. But when their beloved Laura's wedding takes place a year later, Griffin is caught between chauffeuring his mother's and father's ashes in two urns and contending with Joy and her large, unruly family. Both he and she have also brought dates along. How in the world could this have happened?

By turns hilarious, rueful, and uplifting, **That Old Cape Magic** is a profoundly involving novel about marriage, family, and all the other ties that bind.

From the Trade Paperback edition.
