## **Phantastes** George MacDonald

The classic fantasy that influenced C.S. Lewis and J.R.R. Tolkien, considered one of George MacDonald's most important works, is the story of the young man, Anodos, and his adventures in fairyland which ultimately reveal the human condition. "I write, not for children," wrote George MacDonald, "but for the child-like, whether they be of five, or fifty, or seventy-five." All-at-once written with an innocent whimsy and soulful yearning, the heart of Anodos' journey through fairyland reveals a spiritual quest that requires a surrender of the self.
