The Stonewoder A Face in the Looking Pool / A Journey of Hearts CW Soldier

_In a place of antiquity long obscured by time, an oppressive ruler expands an ominous shadow over the free and decent. Here, Ehtauna has been fortunate to spend most of her life in th relative safety of a town far from the seat of malevolent power. Then unexpectedly one night, her world is shattered when she is abducted by savage marauders in the service of the ruling authority. Desperately she hopes for someone to deliver her. Someone to dare take up pursuit into the shadowy forest. But her town is populated with peaceful growers, herders, shopkeepers, and simple laborers - inexperienced in the ways of weapons and warfare. Who among them would knowingly set out for an encounter with skilled and sanctioned killers?

_Wrecked and abandoned she accepts a terrible truth: No one will come. It seems fate has set her upon a path of wicked brutality. A forlorn trail that will surely end with her appalling demise in the solitary forest...

_EXCEPT... There IS one who will come. One who has longed for her affection since he was a boy in a far away country. He now lives discreetly in her town - because he LIVES to be near HER. He is NOT a shopkeeper or passive herdsman inexperienced in the ways of war. And unbekownst to her - he is on his way...

_Journey along with these two wayfaring spirits as they touch many other lives(souls you will love - villains you will hate) during the course of their struggle through time, place and heart. Experience the remarkable power of a sacred love that sets off a chain of events so compelling - it could very well change forever the future of all.
