**Bigger and better than ever**

The two previous editions of the book known by home improvement retailers as “Big Red” sold nearly 600,000 copies. This new edition features a larger portrait format for better visual clarity, and incorporates a new page layout style. But all the features that made the original America’s best-selling “bible” of home repair are still present here—thousands of color photographs and detailed step-by-step directions.

The third edition also includes more than 30 projects not found in the original edition, as well as more than 300 new photos.
