Cleopatra Confesses (Paula Wiseman Books) Carolyn Meyer

Meet teenage Cleopatra in this first-person account of history that captures “sibling rivalry at its most vicious” (*Publishers Weekly*).

It is the first century B.C., an ancient time of everpresent drama and danger. Cleopatra, the third of the pharaoh’s six children, is whom her father has chosen to be the next queen of Egypt. But when King Ptolemy is forced into exile, Cleopatra is left alone to fend for herself in a palace rife with intrigue and murder. Smart, courageous, ambitious, and sensuously beautiful, Cleopatra possesses the charm to cause two of history’s most famous leaders to fall in love with her. But as her cruel sisters plot to steal the throne, Cleopatra realizes there is only one person on whom she can rely—herself.

The tale of her teenage years is a story of power and romance that stands the test of time—centuries later, Cleopatra remains a figure of mystery and intrigue. Now, award-winning author Carolyn Meyer mesmerizes readers with revelations in this novel about one of the greatest women who ever lived.

From reader reviews:

Lois Yale:

Do you have favorite book? For those who have, what is your favorite's book? E-book is very important thing for us to know everything in the world. Each e-book has different aim or maybe goal; it means that book has different type. Some people really feel enjoy to spend their the perfect time to read a book. They can be reading whatever they consider because their hobby is usually reading a book. Consider the person who don't like looking at a book? Sometime, man feel need book if they found difficult problem or maybe exercise. Well, probably you should have this Cleopatra Confesses (Paula Wiseman Books).

Calvin Lee:

As people who live in the particular modest era should be change about what going on or details even knowledge to make these keep up with the era which is always change and progress. Some of you maybe may update themselves by reading through books. It is a good choice for yourself but the problems coming to a person is you don't know what kind you should start with. This Cleopatra Confesses (Paula Wiseman Books) is our recommendation to cause you to keep up with the world. Why, because book serves what you want and want in this era.

Travis Berry:

That reserve can make you to feel relax. That book Cleopatra Confesses (Paula Wiseman Books) was vibrant and of course has pictures around. As we know that book Cleopatra Confesses (Paula Wiseman Books) has many kinds or category. Start from kids until youngsters. For example Naruto or Investigation company Conan you can read and believe that you are the character on there. Therefore not at all of book are usually make you bored, any it offers up you feel happy, fun and loosen up. Try to choose the best book for you and try to like reading in which.

Marilyn Fox:

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's internal or real their hobby. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Cleopatra Confesses (Paula Wiseman Books) can make you sense more interested to read.
