T. C. Boyle

El pequeño salvaje (Impedimenta) (Spanish Edition) T. C. Boyle

«Un relato entre la filosofía y el darwinismo sociológico.» Antonio Fraguas, *El País*

La historia, una de las más apasionantes de la literatura reciente, sería llevada a la pantalla por François Truffaut en 1969. Una nouvelle genial que rescata un mito latente en la literatura moderna: el del niño feral criado por lobos.

El pequeño salvaje es una prodigiosa nouvelle que narra, de modo desgarrador, la historia del célebre niño salvaje de Aveyron, quien a principios del siglo XIX atemorizó y luego fascinó a toda Francia por tratarse de uno de los raros ejemplares de niño asilvestrado y criado entre bestias. A finales de septiembre de 1797, en los bosques del Languedoc francés, tres cazadores hallaron a un niño errante, completamente desnudo, hirsuto, que adoptaba los modales de un animal. Aparentaba unos ocho o nueve años. Una vez capturado, empezaría su peregrinación por la Francia recién salida de la revolución, recalando tanto en instituciones mentales como en refinados salones, donde constituiría poco menos que una atracción de feria.

**LA PRENSA HA DICHO:** «Cada obra de T. C. Boyle constituye una sorpresa, un desafío de tiempos y espacios narrativos diferentes.» *La Razón*
