## **Hard Questions, Prophetic Answers** Daniel K. Judd

Author Daniel K. Judd writes: 'The issues I have selected for inclusion in this book are representative of the difficult questions I have grappled with over the last several years in my work as a professor, a therapist, a bishop, a stake president, and a father.' Those 'hard questions' included: Is divorce the answer to a faltering marriage? Is anger a sin? What justifies an individual or nation to engage in armed conflict? How can I best understand those who are sexually attracted to the same sex? The author shows that the most meaningful answers to all our questions lie in the counsel of prophets and the miracles of the Atonement.
