The Politics of NGOs in Indonesia: Developing Democracy and Managing a Movement (Rethinking Southeast Asia) Bob S. Hadiwinata

This book deals with two major issues: how Indonesian NGOs survived under Suharto's authoritarian rule; and how NGOs contributed to the promotion of democracy in the post-Suharto era. If NGOs are to change from 'development' to 'movement' in democratic post-Suharto Indonesia, they must adjust not only their management and working style, but also their very ideology. This comprehensive study will be an important book for scholars interested in Asian studies, Indonesian politics and development studies.
