Forgotten Notes Sian Ann Bessey

After four years of nursing school, Sarah Lewis has returned home to her tiny Welsh village of Pen-Y-Bryn, to live, to work, and to thrill audiences with her gifted harp playing. She loves the peace and beauty of her village, but finds her serenity shattered by the arrival of two Americans—Iris Pearson, and her handsome son, Brian—looking for answers about their famous ancestors. The disappearance of Glyn Jones and Mary Williams from the village in 1881 has been the subject of speculation, rumors, and out-right lies for over 100 years. When the Pearsons arrive, claiming to be Glyn's and Mary's descendants, some old questions are answered, but new, painful mysteries emerge. Sarah is intrigued by, then attracted to Brian—until she discovers that he is a Mormon. Torn between the horrible things she's heard about his religion, and her growing affection for Brian, Sarah decided to take a chance . . . if only to help him with his search. *Forgotten Notes*, by Welsh author Sian Ann Bessey, is an enchanting, romantic novel about one woman's resistance to true love, a family's search for truth, the redemption of a divided village, and the mysterious, long-lost letters that will solve everything.

From reader reviews:

Kurtis Henry:

Would you one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Try and pick one book that you just dont know the inside because don't judge book by its handle may doesn't work this is difficult job because you are scared that the inside maybe not since fantastic as in the outside look likes. Maybe you answer could be Forgotten Notes why because the fantastic cover that make you consider concerning the content will not disappoint anyone. The inside or content will be fantastic as the outside or maybe cover. Your reading 6th sense will directly guide you to pick up this book.

Bradley Simpson:

In this age globalization it is important to someone to find information. The information will make anyone to understand the condition of the world. The healthiness of the world makes the information quicker to share. You can find a lot of references to get information example: internet, paper, book, and soon. You will observe that now, a lot of publisher which print many kinds of book. Typically the book that recommended to you is Forgotten Notes this reserve consist a lot of the information from the condition of this world now. This kind of book was represented just how can the world has grown up. The dialect styles that writer value to explain it is easy to understand. The writer made some investigation when he makes this book. Honestly, that is why this book ideal all of you.

Dominic Maddock:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Forgotten Notes can make you experience more interested to read.

Tammy Carver:

Reading a book make you to get more knowledge from the jawhorse. You can take knowledge and information originating from a book. Book is created or printed or outlined from each source which filled update of news. With this modern era like at this point, many ways to get information are available for you. From media social similar to newspaper, magazines, science publication, encyclopedia, reference book, new and comic. You can add your understanding by that book. Are you hip to spend your spare time to open your book? Or just looking for the Forgotten Notes when you essential it?
