## **Slaine: The Book of Scars** Pat Mills

For over thirty years, readers of the 'Galaxy's Greatest Comic' have been entertained by the adventures of Sláine and his odious sidekick Ukko the dwarf. Pat Mills and Angela Kincaid's seminal Celtic hero made his first appearance in Prog 330 on the 20th August 1983 and is still going strong today. The Book of Scars is a special anniversary story which sees Sláine return to the most pivotal moments of his life where he has to face off against his greatest foes – all beautifully rendered by some of the magnificent artists (Mick McMahon, Glenn Fabry, Simon Bisley, Clint Langley), who together with Pat Mills have made Sláine one of the most popular characters in the history of UK comics. This book also collects ever Sláine cover ever to grace the front of 2000 AD, as well as some stunning pin-ups, sketches and rarities.
