Sometimes a Light Surprises Jamie Langston Turner

Though it was years ago, Ben Buckley has never gotten over the loss of his wife. But even more than the mystery surrounding her death is the radical change that occurred in her life shortly beforehand. Their marriage was unusually happy--until she met a woman who "turned her on to religion." Baffled, angry, and still feeling guilty for the way he treated Chloe those final weeks, Ben now lives behind the protective walls of severed relationships and a rigid work routine.

When two unlikely people enter his narrow world, Ben's view of his life begins to change, and gradually the barriers he's erected around himself come tumbling down.

For readers who enjoy character-driven, thought-provoking stories that stay with them long after the last page is turned.
